REACH Declaration of Conformity

We hereby certify that pallet blocks manufactured by Baltic Block, SIA are fully comply with the related requirements of EU regulation 1907/2006 concerning the registration, Evaluation, Authorisation and Restriction of chemicals (REACH).

Baltic Block, SIA is a Downstream User as defined by the requirements of the European Union (EU) Regulation – Registration, Evaluation, Authorisation and restriction of Chemicals (REACH). Our products are defined in the REACH regulation as “articles” and do not involve the “intentional release of substances”.

Articles do not require registration under Article 7.1 of REACH. The individual raw material substances that are mixed together to make up the pallet blocks would be registered separately. Therefore Baltic Block, SIA will ensure that all individual raw material substances that are purchased from upstream suppliers will follow through with final REACH registration.

With regard to the requirements of article 31(3) of REACH: on information in the supply chain. Although pallet blocks comply with “article” definition of REACH regulation and safety data sheets for articles is not required, pallet blocks has some properties of substance (mixture), for example – dust emissions, which could be inhaled. Baltic Block, SIA considers be useful to supply information down to the supply chain for downstream users of pallet blocks with safety data sheet.

With regard to the requirements of article 33 of REACH: on duty to communicate information on substances in articles. We declare that based on our own internal analyses, vendor supplied analyses, and/or material certifications of the raw materials used in the manufacture of Baltic Block products, all our products, and their packaging, do not contain any of SVHCs (Substances of Very high Concerns) in concentration above 0,1 %.

With regard to the requirement of Article 67 of REACH: on restrictions. We declare that none of substances in conditions of restriction is present in Baltic Block, SIA products.
